

ANCIENT WINEMAKING REIMAGINED

BY BLENDING ANCIENT WINEMAKING WITH MODERN APPROACHES, SIX EIGHTY CELLARS CRAFTS UNIQUE, SMALL BATCH WINES UNLIKE ANYTHING ELSE IN THE FINGER LAKES REGION OF NY. OUR VINEYARDS RISE TO 680 FEET FROM THE BOTTOM OF CAYUGA LAKE WHERE THE PANORAMIC VIEW REFLECTS OUR UNFETTERED AND ADVENTUROUS VISION FOR OUR WINEMAKING PROCESS

EXPECT THE UNEXPECTED

WE USE A VARIETY OF EARTHENWARE VESSELS COMBINED WITH INNOVATIVE TECHNOLOGY TO EXTRACT THE PUREST QUALITIES FOUND IN EVERY GRAPE. DISCOVER UNCOMMON VARIETIES TO THE FINGER LAKES, AND ENJOY WINES CRAFTED IN UNEXPECTED STYLES.

SUSTAINABILITY

BY USING CERTIFIED SUSTAINABLE GRAPES, WE ARE DEDICATED TO NURTURING THE ENVIRONMENT. OUR MINIMAL INTERVENTION PHILOSOPHY ALLOWS AN AUTHENTIC EXPRESSION OF THE GRAPES, AND COMPLEMENTS OUR SUSTAINABLE FARMING PRACTICES.
